## [07: DECEPTION]

1. Compatible with **Soloverse [Crazy 8's], [Crazy 8's Utter Chaos] & [Karma]**.
2. The Main Changes are as follows:
  - a. On your turn, you place Your Cards Face-Down instead, calling out what Cards you placed and how many there were, mimicking Soloverse [Cheat]'s Rules.  
**NOTE:** You do not have to tell the truth about the number of cards or their value.
  - b. Cheating is allowed. But you will be penalised for getting caught.
  - c. Play continues likewise, with the next Player doing the same.  
**NOTE:** At any point, any other Player can call "Cheat!" At which point the last Player who put down MUST reveal their cards.
    - i. If the Player was in fact cheating, They MUST now pick up the entire Discards.
    - ii. If the Player was indeed telling the truth, the Challenging Player MUST pick up the entire Discards instead!

## [08: NORMALISATION]

1. Follow all Rules for the Soloverse Rulebook being Played.
2. There are no Changes.
